& refund requests must be received by May 16.

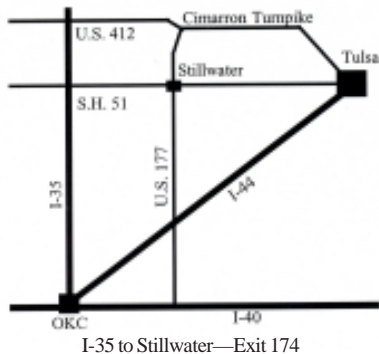

About the Workshop

This multidisciplinary event has been organized to help fill a void for pest control operators, parks and recreation employees, nursery and garden center personnel, arborists, and landscape architects for training on integrated pest management (IPM) related issues. Workshop speakers will cover new topics and update previous topics.

Participants should come prepared for considerable walking all day long. The workshop will continue in the event of inclement weather. This class will be offered to only the first 80 pre-registrants. Attendees will be divided into two groups in order to provide quality outdoor learning.

Continuing Education Units (CEUs):

The speakers have requested the Oklahoma Department of Agriculture, Food and Forestry to grant CEUs for the workshop for categories 3a, 3c and 10. The program is currently in review. CEUs for the ISA are expected to be granted as well. Participants must remain for the entire day to receive CEU credits.

Workshop Speakers:

- Marley Beem*, Assistant Extension Specialist, Natural Resources—Aquaculture, OSU, Stillwater
- Lisa Coburn*, Manager of Tick Rearing Facility, OSU, Stillwater
- Dwayne Elmore*, Extension Wildlife Specialist, Natural Resources, OSU, Stillwater
- David Hillock*, Consumer Horticulture Specialist, OSU, Stillwater
- Charles Luper*, Extension Associate, OSU, Stillwater
- Dennis Martin*, Extension Turfgrass Specialist, OSU, Stillwater
- LaDonna McCowan-Ferrier*, Assistant, Extension Specialist, OSU, Stillwater
- Jen Olson*, Assistant Extension Specialist, OSU, Stillwater
- Eric Rebek*, Extension Entomologist, OSU, Stillwater
- Tom Royer*, Extension IPM Coordinator, OSU, Stillwater
- Mike Schnelle*, Extension Horticulture Specialist, OSU, Stillwater
- Kevin Shelton*, Extension Associate, OSU, Stillwater
- Damon Smith*, Extension Plant Pathologist, OSU, Stillwater
- Mike Smolen*, Extension Water Quality Coordinator, OSU, Stillwater
- Wayne Smith*, Extension Educator, IPM, OSU, Stillwater

RETURN SERVICE REQUESTED

Integrated Pest Management (IPM) for the Landscape Professional

This broadly focused workshop will address the many facets of a landscape IPM program. This program will benefit pest control operators, professional landscape maintenance personnel, park & recreational employees, nursery & garden center personnel as well as individuals who have a desire to hone their landscape management skills. Attending this event may satisfy CEU requirements for commercial applicators and arborists.
